REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: There is no prior art of record that teaches or suggests forming a feature of a substantially planar insulating layer which has portions disposed over the first and second surface portions, the third section extending into an insulating layer, and the insulating layer having first and second recess portions which respectively extend downwardly through the insulating layer toward the first and second surface portions on opposite sides of the third section, each recess portion being immediately adjacent a respective surface of the third section.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Renee R Berry whose telephone number is (703) 305-4544. The examiner can normally be reached on M-F 9-5:30.
